LONDON, WC2A 2LL

15. vi. 82

Dear Prime Minister.

Now that military
Success has been achieved in
the Falklands I feel I must
write and congratulate you on
the wonderful leadership that you
have given during this crisis —
I have no doubt that we
could ^{have} come to some dishonourable
Compromise without your courage
and determination and I
am proud to have had the

opportunity to be a member of
Your team. It was an
experience I shall never forget.

Less work & sleep throughout
the night for the first time for
weeks!

I cannot adequately
express my admiration and
affection for you.

Yours as.

Michael
