

Gummer

5th July 1982

Thank you so very much for all your help with the Cheltenham speech.

It really went very well, and, as you know, thanks to you we finished the t t in record time.

I hope that you and Penny will enjoy the wine.

Dear Prime Minister,

R16

You are, as always,
too generous. I do enjoy helping
with speeches and I hope you will
let me do so again.

Penny and I don't feel
we deserve it but we shall enjoy
drinking the wine — not least, we hope,
to celebrate the birth later this month.

The silence enjoined upon a
colleague does become frustrating after a time
and being involved in some of your speeches
helps a lot — Thank you

Yours ever

John
