

10 DOWNING STREET

THE PRIME MINISTER

9 April 1986

Dear Ambassador,

I have already written to President Reagan to say how horrified I was by the dreadful incident in Berlin in which one American Serviceman was killed and so many others badly hurt. But I wanted also to let you know my feelings and ask you to pass on my sympathy to all those who suffered injuries.

With best wishes, and warm regards,

Yours sincerely
Margaret Thatcher

His Excellency The Honourable Richard Burt
