China

10 DOWNING STREET

20 July, 1982

From the Private Secretary

PRIME MINISTER'S VISIT TO CHINA

Thank you for your letter of 19 July. The Prime Minister agrees in principle to extend, during her visit to China, a return invitation to the Chinese Premier to visit Britain.

I suggest that nothing is said to the Chinese about this matter in advance of the Prime Minister's visit. If the point could be included in the briefs, the Prime Minister will decide how to play the hand when she is in China.
