COCOM

Thank you for your minute of 19 July, recording the successful outcome of negotiations on the major outstanding items of the COCOM list review.

2 This is simply to say that I agree with your assessment - although some companies are bound to be disappointed that we could not achieve everything they were looking for - and am as delighted as you are with the achievement of Mr Peter Corley and his team.

3 I am sending a copy of this letter to the Prime Minister and other Members of OD
