THE PRIME MINISTER

27 August 1985

Dear Mr. Tsuchiya,

Thank you for your letter of 8 August. I am sorry for the delay in replying but, as my Office explained to you, I have only recently returned from holiday.

I am very grateful to you for asking me to open your manufacturing plant in Washington next September, and I should be delighted to accept. I shall ask my Office to get in touch with yours to discuss the arrangements in more detail.

Yours sincerely

Margaret Thatcher

Mr. T. Tsuchiya
