

PRIME MINISTER

LEYLAND

You wanted a small meeting to discuss the handling of  
Thursday's MISC 126 on Wednesday evening of:-

Mr Channon ✓

Mr Ridley ✓

Mr Tebbit ✓

Mr Wakeham ✓

Whitelaw ✓

I really think we ought to ask Lord Whitelaw. He is such a  
pillar of support generally and the Lords are an important  
dimension. So ask Lord Whitelaw? *Yes no*

The latest travel plan shows that you will not be back in  
Central London from Italy until 1930. Rocco Forte's reception  
ends at 2030.

Timing for the Leyland meeting could be either:

2015 (if you do not go to Rocco Forte's reception: after  
all, you went to his engagement party)

or

2045, if you went to his reception

You can have supper either before or after the meeting, as you  
wish.

Shall we go for 2015 (and not going to Rocco Forte's) or  
2045?
