Dear Margaret,

Sylvia & I will be praying
actively for your safety, well being
& success in Moscow.

I enclose an unusual,
but nonetheless supportive, letter
from a Texan (woman) pastor, who
has evidently made an impression
on Ronald Reagan & his office
- as you will see from the President's
response (attached). The correspondence
came in via Christine Wall. On your
return, I will draft a suitable letter
for you to send to the pastor.
Michael.

Dear Prime Minister Thatcher,

My husband and I pastor a church in Brownwood, Texas in the United States. We have been privileged to spend some time in your beautiful country of England in the last two years. We ministered in England and went on to do missionary work in Africa.

I honor the position of authority you hold not only in your country but as a world leader. I respect the courageous stand you take for the rights and freedom of people. You are a powerful woman that I admire very much.

I pray daily for your country and for you, as well as the other leaders of your country. Recently when I was praying for you, the Lord gave me a prophecy. I am respectfully submitting this prophecy. I noticed that the prophecy talks about God's protection and that you will be able to step over every obstacle that the enemy would throw at you in the spiritual realm or in the natural realm. I trust that this prophecy ministers to you and will help lighten the load of the great responsibility your office carries.

Recently I received a prophecy to give to President Reagan. I was in Washington and met Secretary of the Interior, Don Hodel and asked him to give the prophecy to President Reagan. He did and I received this letter from the President acknowledging that Mr. Hodel had delivered the prophecy. I thought you might be interested in the President's comments. I am enclosing a copy of his letter to me. I don't dare send the real thing. You know how us Texans are. When we get a good thing, we know how to keep it. Since that time Secretary Hodel has asked me to Washington to spend some time with him and share about the Lord.

Would you mind informing me when you receive this prophecy so that I will know that this part of my assignment is complete at this time. I will be lifting you and yours up in prayer daily. God bless you.

Sincerely yours,

Charlene

PRIME MINISTER MARGARET THATCHER

Dear Daughter,

There have been times and you know,
I Am told you which way that you should go.

Because you listened to My voice,
And you did not go the way of your own choice.

Therefore, from death and destruction you were delivered,
And in the natural your spirit quivered.

There are some more things I want you to know,
So you will stay under my protection and flow.

Some that are around you are really with you, some are not,
So at times your steps you must really watch.

Yet, there are some true ones I have welded to you,
If you will work and flow together, let Me bond you just like glue,
I Am will continue to lead all of you.

The true ones with you will really take a stand,
They are concerned about your country and your land.

You will know in the spirit the ones I Am has placed beside of you,
There will be times I will use them to help to deliver you,
From the snare of the fowler and work out the plans for you to get through.
(Psalms 91:3)

You shall not be afraid of the terror of the night,
Or by the arrows that fly by day, some may be within thy sight, (Psalms 91:5)
But when you see these things approaching look unto Me and to Me hold on tight.

I will cover you with My pinions and under My wings you shall trust, (Psalms 91:4)
I Am is the one you must lean on, I Am is the one, you must.

You will say of the Lord, "He is my refuge and my fortress, My God, on him
I lean and rely, (Psalms 91:2)
I will not look in the natural, I will only look unto My Father up on high.

Because I dwell in the secret place, (Psalms 91:1)
Therefore, I will not hide my face,
I will stay ahead in the wild race.

Because I stay under the shadow of the Almighty, there I am fixed, (Psalms 91:1)
I do not have to worry or concern myself with the enemy's tricks.

For the Great I Am has given His angels especial charge over me to accompany and
defend and preserve me in all of my ways,
Of obedience and service for all of My days. (Psalms 91:11)

The angels shall bear me up in their hands, (Psalms 91:12)
Therefore, I will help bring about victory to many lands.

I will not dash my foot against a stone, (Psalms 91:12)
Because I am not walking on this road all alone.

I shall tread upon the lion and the adder, (Psalms 91:13)
Because I am climbing up My Father's ladder.

I shall trample them down under my foot,
And sometimes there may be some black soot.

But these things won't hurt me this I know,
Because I am in the Spirit's flow,
And I, Margaret Thatcher, can really know....

That He has set His love upon me,
For me to help keep the people free. (Psalms 91:14)

From the enemy I will not turn around,
The Great I Am has told me to stand my ground.

I am like an Esther in these last days,
I will see the Master's plans unfold and His acts and His ways.

I will obtain favor and the golden scepter will be held out for me, (Esther 5:2)
Because I have been raised up for such a time as this to keep the people free."
(Esther 4:14)

Love,

The Father

THE WHITE HOUSE

WASHINGTON

April 24, 1986

Dear Mrs. Maxfield:

Secretary Don Hodel has kindly passed along your message. It was good to hear from you and to receive your words of friendship and support. I am grateful, too, for your prayers and those of your husband and the members of your church. I believe in intercessory prayer and feel strengthened by the knowledge that others are asking God's help in my behalf. I pray for that help myself, and also to thank Him for giving me this opportunity to serve Him.

President Lincoln said, "I couldn't for one day face the problems of this office unless I could turn for help to One Who is stronger and wiser than all others."

Again, my thanks to you.

Sincerely,
