THE PRIME MINISTER

Standards (after M.H. on line)

And a country, ~~at a community~~ is about even more than the law.

Just as a great building, or cathedral will not stand unless it was built to certain rules, so ~~a city~~ a ~~community~~ ^{nation} will not endure unless rules & standards are widely accepted and upheld. ~~Without them.~~ ^{Without them.} ~~which can be seen~~ ^{which can be seen} ~~on~~ ^{available on}

With the violent scenes, ^{still} ~~available on~~ ^{available on} videos and sometimes on television, I, along with no many others ^{cannot disguise my worry that} ~~which is called the~~ ^{is} ~~the~~ ^{is} ~~accepted~~ ^{is} ~~level~~ ^{level} ~~of violence~~ ^{of violence} ~~on that media is~~ ^{on that media is} too high and is ~~undermining~~ ^{eroding} ~~the~~ ^{the} ~~foundations~~ ^{foundations} of civilized society. It is not only the ^{work} ~~explicit~~ ^{explicit} scenes of violence, but the

volume
~~amount~~ of violence & lawlessness, that is disturbing.

The Broadcasting series are already
revising these matters and ~~the Commission~~ ~~the~~

we have set up a new Broadcasting Council
as ^{1) Douglas Gurd} ~~the~~ Home Secretary ^{has told you} ~~last~~ ^{intended}.

~~not~~ I am not yet satisfied that the
Video, video, law is operating as effectively as was
intended. It is said that public opinion will

accept (in market corner) ~~more~~ films that would
not have been produced a few years ago.

Public policy and the protection of our young people.
I believe the public ~~and young people are~~ ^{is} coming out for less violence
to be shown, not more.

A heavy duty therefore
must be put on the Council that passes ^{such} the
films for sale.

Add to 'standards' or

~~Our~~ ~~rules~~ ~~standards~~ have been gathered across the centuries. ~~Without~~.

~~them~~ Without them
the nation would have no moral strength.
the family no continuity.
and no sense of wholeness with the community.

Without respect for the dignity of the individual, the balance between freedom & responsibility is lost. ~~Without~~ ~~the~~ ~~end~~ ~~for~~ ~~without~~ ~~the~~ ~~standards~~ that there are no rights ~~without~~ ~~wholeness~~ ~~the~~ ~~community~~ ~~be~~ ~~not~~ ~~be~~ ~~wholesome~~.

~~the~~ ~~standards~~ ~~of~~ ~~standards~~ ~~into~~ ~~the~~ ~~future~~ ~~!~~
Young people are brought up for the sake of order by which to live. ~~of~~ ~~community~~
