Have you seen this?
Do we need to do
anything at this stage?

Dominic Morris
Private Secretary
10 Downing Street

24 November 1988

Dear Dominic

Inside attached.

I am enclosing a copy of the interim report of the National Curriculum Design and Technology Working Group which is being published today.

Yours ever,

Tom.

Principal Private Secretary

Paul Gray.

I think we do not need to respond. But it
was a bit fly of T B to behave in
this way. We should ensure this does
not happen in future!
