10 DOWNING STREET

From the Private Secretary

4 August 1986

Dear Jack

The Prime Minister has seen the exchange between the Paymaster General and the Secretary of State for the Environment about the Unified Pollution Inspectorate. She has agreed in general to the terms of the draft announcement enclosed with the Paymaster General's letter of 31 July subject to the addition of the following sentence:-

"The Prime Minister has now agreed that this transfer should take place, and that the Industrial Air Pollution Inspectorate should form part of a unified pollution inspectorate."

after the first sentence of page 2 of the existing draft.

RF || The Prime Minister has, however, asked whether there is not a more impressive name for the new inspectorate and I should be glad if you could give consideration to this comment as soon as possible.

I am copying this letter to Joan MacNaughton (Lord President's Office), Alex Allan (HM Treasury), Timothy Walker (Department of Trade and Industry), Geoff Dart (Department of Energy), Robert Gordon (Scottish Office), Colin Williams (Welsh Office), Ivor Llewelyn (Ministry of Agriculture, Fisheries and Food) and Sir Robin Ibbs.
