

15-11
PRIME MINISTER

Meeting with Lord Goold : Wednesday 13th January 1988

Lord Goold is coming in to see you at 9.00 am to discuss the current state of the Party in Scotland. This meeting was due to take place before Christmas but had to be postponed.

He has not told us of any particular point he wishes to raise with you; however, you should be aware that both Malcolm Rifkind and the Policy Unity have prepared papers on how to improve the Party's performance in Scotland. You will find both of these in your box this evening.
