THE PRIME MINISTER

2 February 1988

Dear Mr. Kinnoch,

Thank you for your letter of 28 January. The Government has had no approach from either Mr. Savimbi or Mr. Dhlakama, or their organisations, about possible visits to Britain. We have made clear in the past that if Mr. Savimbi were to come to Britain it would be as a private citizen and he would not be received officially. That remains our position. As regards Mr. Dhlakama, our information is that he is currently in Mozambique: so far as we know there are no plans for him to visit Britain.

Yours sincerely

Raymond Dhlakama

The Rt. Hon. Neil Kinnoch, M.P.
