THE PRIME MINISTER

Dear Mr. Miller Smith

A belated but very warm
and sincere thankyou for a
fascinating visit to 'Quest' at the
end of last week. I loved every
moment and was most impressed
with the way you bring the very
latest scientific techniques to the
art of perfumery.

The perfume you created for
me - which you kindly called
'Margaret' but which I call 'Quest'
has become an instant favourite.
Thank you very much.

Congratulations, thanks and
best wishes to everyone - may your
success grow - we are very proud
of your prominent position in this
chemical art form. Love sincerely
Margaret Dexter
