THE PRIME MINISTER

16 February 1988

Dear Mr. Bewes,

It was so kind of you and Michael Baughen to invite me to bring a party to the Royal Albert Hall on Saturday to the 10th Anniversary Prom Praise.

We all enjoyed ourselves enormously, both for the brilliant playing and singing of the musicians under Noel Tredinnick and through sharing in the enthusiasm and excitement of the thousands of young (and not so young) Christians in the audience. It was also an inspiration to hear the words of testimony and hope in Jesus Christ which you and Michael Baughen and John Stott brought us.

Do please pass on our warmest thanks and appreciation to all concerned. May Prom Praise and Langham Arts go from strength to strength in its important contribution to the ministry of All Souls.

I am writing similarly to Michael Baughen.

Warm regards,

Yours sincerely

Margaret Thatcher
