THE PRIME MINISTER

*Jean Graham*

Thank you for your letter of 16 February sending me a copy of the Declaration of Unity, Witness and Mission which you and certain other Anglican bishops are releasing on Ash Wednesday which I have studied with interest, and shall study further.

I was grateful also to receive the printed version of the Green Lecture which you delivered at Fulton, Missouri last September. I did of course read accounts of it at the time, but am glad now to have the text in permanent form.

*Every good wish,*

*Yours sincerely*

*Margaret Thatcher*

The Right Reverend The Lord Bishop of London
