10 DOWNING STREET

THE PRIME MINISTER

17 February 1988

Dear Tim

Thank you for your letter of 10 February about televising the House of Commons.

Your letter makes some extremely interesting points and I will ensure that those concerned are aware of what you say.

The decision to televise the House is causing many people to consider the consequences and all kinds of issues are now being discussed.

T.D. Brinton, Esq.

Every good wish.

Yours ever
