

PRIME MINISTER

Drinks for MPs  
Monday, 14th March

I had planned to invite the Officers of the Defence Backbench Committee, together with the Conservative Members of the Defence Select Committee, to join you for a drink on Monday, 14th March. This is not possible because the Select Committee Members will be away.

I should like, if you agree, to invite the Health Backbench Committee Officers in, with the Conservative Members on the Social Services Select Committee.

Content?

They have  
just published a very  
adverse report! And  
it is on the eve of  
the Budget

AM.
