Dear Mark,
at flap

Thank you for your letter of 24 June to Peter Morrison.

I must congratulate you on achieving an agreement within the remit which E(A) Committee approved. I am particularly glad that you were able to secure an acceptable 'safeguard' provision.

I am sending copies of this letter to members of E(A), to Sir Geoffrey Howe and to Sir Robin Butler.

*Yours
Earl
Caithness*

*P.S. Well done!
