THE PRIME MINISTER

28 July 1988

Dear Chief Justice Burger.

Thank you so much for sending me the books on Benjamin Franklin. It is a great delight to have them and I look forward to some very enjoyable reading during the summer break.

We were so delighted to see you over here for the William and Mary Tercentenary celebrations: your gesture in coming was very much appreciated.

With warm regards.

Yours sincerely

Margaret Thatcher

Mr. Chief Justice Warren E. Burger
