*Terry Tavner*

How kind of you to send me the photographs. I shall enjoy adding them to my collection.

Thank you too for sending congratulations on the birth of our new grandson, Michael. Dennis and I are thrilled and are looking forward very much to seeing him. I'm sorry the news came too late for your article - but babies are no respecters of deadlines I'm afraid!

I thought the article read well and it certainly attracted a lot of interest.

*Kind regards,*

*Yours sincerely*
