

Amanda Pensonby.

I am in Lancashire on Friday.
I had another word today
with Geoffrey Home. He is
anxious about the meeting.
I asked when? He answered
as soon as possible.

I know you will see the
PM on Monday. If you
would like me to come as
well please let Ann know,
but I think it is probably
better if I have a go
after Japan, if you do
not succeed on Monday.
