Prime Minister

I am not
sure how you
want to proceed.

Editor: Yes no
- propose James Craig?

Or
- no action for
time being?

PRIME MINISTER

The Chief Rabbi rang me today to ask me to pass on to you his warm appreciation, and that of the whole Jewish community, for the stand you have taken on the Gulf crisis. In his eyes, you are the one rock of security and stability in a troubled world and he is deeply grateful to you.
