Dear John,

Over the past two years your experience has brought a new dimension to the way in which the Party thinks and operates. It has been a contribution which has given us all a fresh view of how to analyse events and prepare strategy. It has been invaluable and I greatly appreciate what you have done with the help and loyal support of Norman Strauss and Terry Price.

With best wishes,

I will be in touch soon about what happens next.

Yours sincerely

Roger and Thelma
