Dear Mr Pattison

I am writing to you about the review of all existing powers of entry into business premises which Mr Mitchell is co-ordinating.

In your letter of 7 December 1979 you said that the Prime Minister was hoping that the review would be completed within six months. The exercise revealed many more powers of entry than were listed in the booklet produced by the National Federation of Self Employed and Small Businesses and for that reason I regret that it will not be possible for the report to be with you by the end of June.

It will be completed as soon as possible after that.

Yours sincerely
Jane Gutteridge.

Thank you for your letter of 26 June about the review of powers of entry into business premises.

Can I take it that you will still expect to get this to us before the House rises for the Summer Recess?
