THE RT. HON. MARGARET THATCHER, O.M., F.R.S.

Tuesday 30 June

Dear Prime Minister,

✓ [CPM  
seen]

I am very sorry to trouble you so much  
for your kind letter. Of course I  
understand that you couldn't possibly  
have come to 'the House' today when  
Question Time was over before you. I  
only hope that proceedings in the  
House will sometimes be  
as exciting as Question Time in the  
Commons!

The House was packed with

old friends and many sparing partners.  
But scandal and censure is not the  
most appropriate clothing for  
a hot summer day. All good wishes

Y
