Bonn Economic Summit att.

Thank you for your minute of 10 January.

2. Perhaps I should make it clear, for the avoidance of doubt, that the words of which the Prime Minister complains were the actual words used by my German colleague. I have noted the Prime Minister's distaste for them.

3. I am sending copies of this minute to the Private Secretaries to the Foreign and Commonwealth Secretary, the Chancellor of the Exchequer, the Secretary of State for Trade and Industry and the Secretary of State for the Environment.
