RONALD REAGAN

Dear Margaret & Denis

How nice of you to write and thank you for your good wishes. They have come true. I'm feeling just fine to the surprise of a few Doctors. Nancy & I are back in Calif. & enjoying a normal life.

Nancy sends her love and so do I. As always it was a great pleasure to hear from you. I'm not going to miss too many things but assume you'll miss our Economic Summits.

All the best to you. Sincerely Ron
