GULF: BRIEFING FOR THE LEADER OF THE OPPOSITION

You said you would like to give the Leader of the Opposition a briefing on Privy Councillor terms about the Gulf before Christmas. The only mutually convenient time we have been able to find is at 2030 hours on Monday 17 December in your room at the House. You are due to address Norman Tebbit's constituency association in Room A at 2100.

Subject to your agreeing to this, I have commissioned some speaking notes.
