PRIME MINISTER

This all went
rather well. 4 30.12

RESERVISTS FOR THE GULF

Although the response to the call for volunteers has been good, the MOD are still 233 people short (out of 1500 requested). They will therefore announce today that they need to call up around 250 additional Army personnel. This means actually writing to about 480, in order to be sure of getting 233. The RAF Auxiliary Medical Evacuation Squadron will also be called up.
