10 DOWNING STREET

~~Prime Minister~~

CULF

BOTH the Foreign Secretary
and the Chief Whip want a
word with you tomorrow morning
before the discussion after OPD (G)
on Parliamentary handling.

The Chief says to telephone
you between 0800 and 0900 hours.
The Foreign Secretary would like
5 minutes at 0900 just before OPD (G)
starts. It probably makes most
sense for him to pop up to the
flat at the end of your breakfast
meeting with Sarah.
