Dearest Nanjant,  
I do hope you are not  
too shattered.

That lovely Ian ... Oh God, how  
dreadful.

But be of good heart, as he would  
wish you to be.

I think the speech is simply  
striking. On the level of the Bridges  
in importance - and in language as powerful  
as the address to the joint Houses of  
Congress.

A' bientot and with all

Love -
