THE PRIME MINISTER

18th October 1990

Dear Nigel,

Thank you for letting me know about your Monday decision - Peter will be in touch with the Chief Whip. I most earnestly hope that your Association will choose a really worthy successor.

The ERM has gone well. We must continue to make it clear that we would not agree to a single currency. It was all set out in your original speech.

I hope Therese and the family
are well.

Yours

Raymond
