Dear Prime Minister,

I had no dash  
off to see the Soviet  
Ambassador & was not able  
to congratulate you on your  
speech. It was a  
magnificent performance —  
you broke the Opposition

by sheer courage &  
force of personality, &  
left Kinnock looking  
very bedraggled indeed. Anyone  
who watched can only have  
been impressed by your  
dominance of the House &  
of the political stage. Historic  
stuff! Many congratulations,  
Yours  
Charles
