

②  
PRIME MINISTER

12 March 1985

BT  
12/3  
HACKNEY COUNCIL

The proceedings last week when the Council refused to set a rate were not filmed by the BBC but were recorded by Radio London. The cameras seen in the hall were <sup>internal</sup> only relay cameras but we are attempting to obtain the radio tapes. There is a possibility that News Night will be doing a programme revealing the horrors of such Councils.
