Dear

*A. Barnes,*

REVIEW OF LAW AFFECTING BANKING SERVICES

I am writing to confirm my own office's telephone call to you on 12 November that I have no substantive comments on the proposals set out in your letter of 6 November to Mr Norgrove.

I am pleased to see that a liaison group of officials is envisaged and would wish the Office to be represented thereon.

This letter is copied to the recipients of yours.

Yours sincerely

*Gordon Borrie*
