RESIDENTIAL CARE: REPORT OF THE WAGNER COMMITTEE

John Moore wrote to you on 1 March about the way in which the Report of the Wagner Committee on residential care should be handled.

As this was an independent review, I agree with John Moore that a holding statement on publication is all that is necessary. I note that he will be considering the substantive issues in consultation with those of us who are directly concerned.

I am copying this letter to the Prime Minister, other members of the Cabinet, the Chief Whip and Sir Robin Butler.
