Dear Dr. Stoppard,

Thank you for your further letter of 19 May and your thoughts on the NHS Review. These are most helpful to have and I will bear them in mind as we continue our work on the Review.

I found your account fascinating - and very much in line with our thoughts. The problem is going to be how to bring some of the things about in an orderly way.

Dr. Miriam Stoppard

Kind regards

*Yours sincerely
Margaret Thatcher*
