PRIME MINISTER

BILATERAL WITH THE CHANCELLOR

We had arranged for the Chancellor to see you for about an hour tomorrow (Tuesday) evening to outline his initial Budget proposals. But he now needs another day or so to prepare for the meeting. So we have now re-arranged this for Thursday evening at 1830 (I have been assuming that you would prefer to have this discussion in the early evening rather than during the course of the day).

Yes not

REG.

PAUL GRAY
