THE PRIME MINISTER

Dear Bill,

Thank you so much for your letter of 4 May.

It was very good of you to let me know your reactions to the local election results so quickly. While we of course suffered disappointments, many of the results we can be well-satisfied with.

*I too, am delighted that Michael's constituency achieved such good results. He is a marvellous chairman*

Much of the credit for this must go to the enormous hard work which I know all our candidates and everyone in Scottish Central Office put in to the campaign. Please send them my warmest thanks.

Yours ever  
William

I thought it useful to give an immediate reaction to last night's Scottish results.

It is obvious that where our policies are being presented forthrightly and honestly, good results are forthcoming. This is clearly illustrated in Eastwood and Stirling where substantial increases in majority have been achieved by our candidates.

I am delighted that Michael's constituency has produced such good results, it is a clear endorsement of his tenacity and thoroughness not only in organisation, but more importantly in the consistency of his presentation of the political message.

It is absolutely clear that well presented Thatcherite policies are not only understood but give highly acceptable results. Wandsworth undoubtedly illustrates this fact.

Our strategy must be to more diligently pursue this task and I have absolutely no doubt that Michael will make sure this happens.

*Yours  
Bill*

Dear Prime Minister,

It is always a great pleasure and privilege for Scottish Conservatives to see you in Scotland, and we were particularly pleased to have you and Denis at our Conference in Aberdeen last week.

Thank you for two excellent speeches, the first at Conference and the second at lunch later. It was a great pleasure to learn afterwards that the hotel staff in the Dining Room who heard your second speech, had been very full of admiration.

All things considered, the Party does seem to be in good heart, and a good spirit was evident at Aberdeen. My fellow Office-Bearers on SCUA and I will be doing all that we can in the coming months to ensure that that positive spirit is turned into hard work and success in the constituencies. Thank you for the great lead that you give us.

Naomi joins me in sending you both our very warmest regards,

Yours sincerely,

Michael Hirst  
President.
