Dear Barry
NHS SEMINAR

at final

Thank you for your letter of 3 June. I think I also mentioned when we spoke that my Secretary of State would wish to bring Mr Fairey to the seminar as well as the other people on your list. Mike Fairey is the NHSME Director with responsibility for Information Technology which is an area which the Prime Minister particular wishes to see covered in the presentation. If I omitted to mention this at the time I apologise. I hope this does not cause any difficulty.

I am copying this letter to John Gieve and Carys Evans.
