PERSONAL MESSAGE  
SERIAL No. T 1310/82

THE PRIME MINISTER

15 June 1982

*Dear Bob*

Thank you so much for your message of congratulations on our success in the Falklands which reached me today. From the beginning, your support has been a constant encouragement. You understood at once the cause for which we were fighting and for which, sadly, many of our young men have died. There are still difficult problems ahead but the worst is behind us. I am sure that we can now give back to the Falkland Islanders the way of life which they want.

*Yours sincerely  
Margaret Thatcher*

The Rt. Hon. R.D. Muldoon, CH, MP.
