Dear Prime Minister,

I have just returned from a visit to South Africa accompanying Fritz Leutwiler. We are assisting him in his role as mediator and providing him with the necessary infrastructure.

I will be meeting with Euan Ferguson at the Foreign Office to brief him on the visit. However, as you have met Dr. Leutwiler, I raised with him whether he might be prepared to come over to London to convey to you his personal impressions subsequent to his meetings with President Botha and many others in South Africa. He would be very pleased to do so, and perhaps your office could let me know whether you would find this helpful. We could then try and find a convenient date for him to come over and see you.

Yours sincerely,

The Prime Minister has asked me to thank you for your letter of 13 January mentioning the visit of Dr. Leutwiler. The Prime Minister would indeed like to see Dr. Leutwiler and wonders whether he could call on Friday 24 January at 1100. Perhaps you could telephone me to let me know whether this would be convenient.

A copy of a record of the meeting last September between a number of South African businessmen and the ANC in Zambia has come my way on a personal basis. You may well already have seen it in the FCO. But in case you have not I enclose a copy. I should be grateful if it could be handled discreetly.
