THE PRIME MINISTER

4 July 1986

Dear Squadron Leader Neil,

It was most kind of you to come out of "retirement" to fly me and my delegation to The Hague last week. As always, it was a perfect flight and sad only that it was a last, last one. Please pass on my thanks to all the members of the crew.

With warm good wishes for your future,

Yours sincerely
Margaret Thatcher

Squadron Leader P. I. A. Neil.
