You wrote to Res. Clerk
29.6.86 covering messages
about the Euro. Council.

As far as we & the
FCO can establish, a
message was not sent
to Sonny Ramphal. He
was in London, therefore
he is not listed on the
distribution for any
of the telegrams (FCO
Tel 197 covers all the others).
I suppose we should
have typed a separate
letter for Mr Ramphal &
sent it from No 10.

I assume it would
all be old news to
him now anyway.
