Dear Prime Minister

-top pt 5

It was good of you to reply to my letter of 30th November when I sent you a copy of the Select Committee's report on the Delors Committee Report which was published this week and I am sending you a copy of our report on the Social Charter which has also just been published. There is no need to acknowledge this as I know how busy you are.

With every good wish for Christmas and the New Year.

Yours,
Bee Serota.
