Prime Minister

Subject to your views, since Bernard fixed up this meeting I think he should attend it in the usual way. If you agree I will show Bernard the attached paper but not his covering letter.

My dear Caroline

The Prime Minister sees Ian McIntyre, Controller of Radio 3 and an old friend of mine, on Friday.

FERB

She might care to glance at the attached paper which is the proposal McIntyre will make to her.

11.12.

She will recall that Willie may shortly be making a suggestion that will cure the 'journalistic' problem that McIntyre refers to.

I strongly recommend that either Stephen or Michael should be present at the interview. The presence of a civil servant would be prejudicial to Ian McIntyre's future.

Can this be filed somewhere!
