MR. REDWOOD

cc. Mr. Addison  
+ A. Sherman's Paper

The Prime Minister has seen Alfred Sherman's paper on "Waste in 'Social' and Public Transport Expenditure" dated 29th March which we talked about on Friday. I gather you already have a copy.

The Prime Minister has minuted that she would like the views of the Policy Unit and would then like to see Alfred Sherman about it on her return from South East Asia.

I therefore suggest that you arrange for a note on the paper to be sent to the Prime Minister during the week beginning 15th April. Could you also make sure that the Private Office are kept in the picture so they can then arrange the meeting with Alfred and liaise with Departments or Minister if necessary.

STEPHEN SHERBOURNE
