**ECONOMIC SUMMIT: TORONTO**

I have discussed further with the Prime Minister the travel arrangements for the Economic Summit in Toronto. She has now decided to address the Welsh Party Conference on Friday 17 June returning to London that night. The whole delegation will therefore leave with the VC 10 from Heathrow on Saturday 18 June. I suggest take-off at 1230, so that we can have lunch after take-off. I assume that would get us to Toronto at around 2030 local time.
