**SCHOOLS BROADCASTS**

I have seen a copy of your letter of 19 July to Kenneth Baker. I am writing in Peter's absence from the office.

We attach great importance to securing the position of schools broadcasts by the independent television sector, and welcome your proposals.

I have some sympathy with the point made by Malcolm Rifkind that the broadcasts should be appropriate to the curriculum needs of schools, and I think it would be helpful if proposal (b) could be amended on the lines he has suggested.

I am copying this letter to other members MISC 128 and to Sir Robin Butler.

*Your ever,*
